Nationwide information request deadline is April 30

Data needed to complete annual RxDC reporting

Tomorrow, April 1, Nationwide will [email](#) employer groups that had coverage with the carrier at any point in 2025 requesting data needed to comply with Prescription Drug Data Collection (RxDC) reporting. The Consolidated Appropriations Act (CAA) requires insurance companies and employer-based plans to submit information regarding prescription and health care spending to the Centers for Medicare and Medicaid Services (CMS) by June 1 of each year.

Employers who don't provide the necessary data to Nationwide by April 30 will be required to file directly with CMS. Failure to complete the reporting requirement could result in a CMS penalty of \$100 per day per affected individual.
